Get your student e-mail account!

- Every registered student at EOCC has an e-mail account and address. You will have this account as long as you are enrolled at EOCC. You can send and receive EOCC e-mail from any location when you are on the Internet.
- To find your student e-mail address just go to **www.eocc.edu** to the Student Information Center, select *Student Information* and *View My Information*. Your student e-mail password is the same as your student information password (PIN). Then, use your student e-mail. At the "name" prompt, type your account name: first initial, last name, first four digits of your birthday, and use your "Student Information password (PIN).
- Maintain your EOCC mailbox because its storage size is limited. Delete old mail, especially large messages.
- Forward items you want to keep to a different e-mail account or save to a drive. Purge your "Trash" folder often.
